

Dear Community Business,

Beattie Elementary is a small neighborhood school in the Lincoln Public Schools district, serving approximately 350 students and their families. As Beattie's Parent Teacher Organization (PTO), our mission is to create an equitable and enriching educational experience for every student by supporting our teachers, staff, students, and families throughout the school year.

We invite you to become part of our Bobcat family by partnering with us as a community sponsor for the 2026-2027 school year.

Our signature fundraiser, the **Beattie Bobcats "Out of this World" Walkathon**, will take place on **Friday, September 25, 2026**. Sponsorships and Walkathon fundraising directly support programs and experiences that benefit every Beattie student while helping us continue to provide opportunities that might not otherwise be possible through traditional school funding.

Thanks to the generosity of our community partners, Beattie PTO has been able to provide:

- Supplemental classroom supplies and educational resources
- Additional field trip opportunities
- Science, technology, engineering, arts, and mathematics (STEAM) experiences
- Funding for our community garden
- Support for after-school clubs and enrichment activities
- Up to four FREE community events throughout the school year
- Teacher and staff appreciation initiatives
- Support for the Boundless Play, Boundless Impact Playground project (to be installed Summer 2026)
- School-wide community-building activities that make Beattie a special place to learn and grow

As part of our Walkathon tradition, every Beattie student and staff member receives a FREE Walkathon T-shirt. Your sponsorship helps make this possible while giving your business visibility throughout our school community. More than 350 students and staff proudly wear these shirts throughout the school year at the Walkathon, school events, field trips, and in the community, showcasing the local businesses that invest in their success.

Your sponsorship investment directly impacts the educational experience of Beattie students and helps strengthen our school community.
